

# OfficeBuddy™

## Under Chair Heater

Congratulations on choosing a WarmBuddy product!  
Please read this user guide before using the product and keep it in a safe place for future reference.

### USAGE AND APPLICATION

Office Buddy is a heated office chair floor protector mat, specially designed to fit snugly underneath your office chair.

1. Remove from the plastic packaging.
2. Place directly on the floor surface, smooth side facing upwards, underlay facing downwards.
3. Plug in and enjoy warm feet at your desk!

Office Buddy is maintenance-free and warms up in just 5 – 10 minutes!

- Suitable for tiles, hardwood or low pile carpets.
- Easy to clean
- Non-slip
- Effortless movement around your workstation
- Recyclable Polypropylene (Environmentally friendly)

### OPERATING INSTRUCTIONS - WARNINGS

- Do not place any object on top that may insulate the heated mat.
- Do not use for warming animals.
- Do not replace the cord. If the cord is damaged, the heater must be scrapped.
- Do not immerse heater in water. Brush off or steam clean the protector mat.
- Do not use the mat if it no longer heats. The mat is of a sealed construction and cannot be repaired.
- Connect this mat to a plug socket which is on a RCD protected (safety switch) circuit.
